

What a delight it is to write to you for the third year in a row. I have the pleasure of writing about how the management staff and all our staff and boards have worked diligently to represent you and our Masonic Values and Obligation. When you have heard me say we are the largest expression of Masonic Service and Philanthropy for Masons in Ohio I have always meant that from the bottom of my heart. As much as I meant that it takes each and every one of you to make that come true. This journey we have been on is a journey of love together with each and every one of you. Your support and your efforts to make us successful are simply overwhelming at times and I want to personally thank you for that support.

As you will see in this annual report we have had a very successful year fiscally, fund development wise and connecting and listening to your wants, needs and desires. We have had great success with the opening of our Resource Center and hope that all of you will continue to call with any questions about aging or the Ohio Masonic Home. Your philanthropic generosity has been unparalleled in my career as a nonprofit CEO for 30 years. Our diligent efforts to be good fiscal stewards of your resources has continued to reap success, and we now find ourselves in a solid fiscal position and continuing to get better.

With all that said we still have a long way to go to reach our potential as an organization. Please know that with your support we will continue to take the responsibility of being Your Ohio Masonic Home seriously, and not stop being the best we can be to serve as many of the brethren as possible in as many ways as is fiscally sound. We are Your Trusted Resource to Help you and your love ones age respectfully. Together we can move into the next year with great anticipation of a new building on our Springfield campus, and more services focused on serving the fraternity.

From the bottom of my heart thank you to all of you for providing me an opportunity to serve as your CEO.
