

ON BEHALF OF THE BOARD OF TRUSTEES I wish to thank everyone who assisted in touching the lives of our residents and clients during 2010. The Ohio Masonic Home has its origin that dates back to the end of the 19th century, and now for over 100 years the Masonic fraternity, board members, volunteers, benefactors and employees have partnered to deliver a level of services that has been trusted and recognized statewide. The Ohio Masonic Home has become a leader in the senior services industry.

Over the past decade we have progressed from a single campus site in Springfield, Ohio to campuses in Waterville and Medina, Ohio. In addition, we provide community-based services in west central Ohio, northeast Ohio and northwest Ohio, not to mention our member based I-CARE program that covers the entire state. Our goal is to deliver care and services in whatever venue our residents and clients call "home".

Tomorrow is anything but certain but our vision is clear. We do not have a crystal ball, but what we do have is the experience of delivering services to seniors with Care, Compassion and Concern; and this has occurred since the cornerstone was laid for the "Castle" in 1892.

Throughout our history we have constantly changed and adapted our services and programs to meet the needs of our fraternity, residents and clients. Continuing to do so will insure that the Ohio Masonic Home's presence will be here for many years to come.
