

Our Home to Your Home

Through the years, one of the lessons I have learned and which I have taught my daughters is: Home is more than a destination; it is a feeling of comfort, acceptance, safety and trust. Our theme of Our Home to Your Home is rooted in the vision of our organization to be The Trusted Resource to

Help People Age Respectfully. As many of you have heard me say, we want to ask you; how you want to age and where you want to age and it is our job to make that happen for you. We want to be your partner in the process of aging; not just a destination of where you go when you are old. We do want to be your home to come to, where you can have fun and enjoy life if you choose to come to one of our campuses, but we also want to bring the products and services to you in your home to assist you in aging respectfully right where you are.

We have been transitioning your Ohio Masonic Home to be focused on this new vision. Additionally, we have been building relationships with strategic partners in the aging services field. These partners are interested in hearing what you want and what you are willing to pay for devices and services that can assist in maintaining and improving your health and independence as we all age together. In this annual report you will find the Life Compass program, the part of our organization which is building these relationships. The representatives of our program want to hear your thoughts on these products and services.

As I have completed my first eight months, which are reflected in this report, I want you to know how impressed I am with each and every one of you and the staff of this great organization. We are truly becoming Your Ohio Masonic Home and we want to provide a partnership which gives you and your families a sense of Home. Hopefully as we continue this journey you will feel more and more that sense of comfort, acceptance, trust and safety when you interact with each and every person who works for Your Ohio Masonic Home.

Brother Thomas J. Stofac

Chief Executive Officer, The Ohio Masonic Home
