

PATHWAYS ALZHEIMER'S AND DEMENTIA CARE

Built in 2000, Pathways Center for Alzheimer's and Dementia Care is a licensed skilled nursing facility featuring a state-of-the-art neighborhood design and all private rooms. Our culture is best expressed by our enrichment-based approach that focuses on the specific interests, passions and hobbies of our residents. Our philosophy enhances each resident's dignity, independence and self-confidence through optimal structure and sequence of meaningful daily activities. Limited to 60 residents, Pathways offers personalized services by trained dementia staff members within a warm and reassuring environment.

- 24-hour on-site nursing and dementia trained staff
- 24-hour programming and activities
- Music and Memory™
- It's Never Too Late® technology
- Chef-designed meals and snacks
- Housekeeping and laundry services three times a week
- Caregiver education, communication and support
- Social services and community outreach
- Indoor and outdoor gathering areas
- Enhanced security features for added peace of mind
- Complimentary cable television including classics-based channels

Short-term stays may be arranged for caregiver breaks, family vacations and respite situations.

\$320/day
